Age Range: K-6

Learning Objective: Students will identify the flute by sight and sound.

**ENGAGE**

ASK. “Look at the picture of a flute. Can you describe it? What do you think it looks like?”

**EXPLAIN & EXPLORE**

LEARN. “Listen to Karen from e(L)ement as she tells you a little about the flute.”

ASK. “The flute is a member of the woodwind family, but it’s not made of wood! Can you explain why the flute is a member of the woodwind family?”

LISTEN. “Listen to this piece of music featuring flute and harp. As you listen, think of three words that describe the sound of the flute.”

REFLECT. Instruct students to compare the sound of the flute with the sound of the harp. Have students either write down their thoughts or share them with a classmate.

**EXTEND**

Choose one or more of the following activities to extend learning.

CREATE. Make a flute with your class using PVC pipe and power tools.

LEARN. Listen to flutes from different time periods in this 8-minute video featuring Deb Harris of the Concordia Wind Quintet.

MOVE. Expose students to a musical score during this flute solo. Demonstrate following the high and low notes on the screen to trace the melody in the air with their finger.

LISTEN. Listen to pop singer Lizzo play flute with the NY Philharmonic.
