YourClassical Minnesota Public Radio Class Notes® Programs Applications

All Class Notes programming is contingent upon receiving full funding. If we do not receive full funding, programming will be adjusted to reflect available funds.

Since its founding, Class Notes has expanded and evolved significantly, growing in popularity and continuing to serve hundreds of thousands of students throughout Minnesota.

We are grateful for the Legacy Amendment’s Arts and Cultural Heritage Fund, which supports Class Notes. As responsible stewards of this support, we continually examine both how best to keep the programs sustainable, and how best to deliver maximum impact in terms of student learning and educational integrity. Programming is outlined in greater detail below.

CLASS NOTES CONCERTS

Designed to engage and inspire elementary students through live performance, these concerts help cultivate active listening skills and allow students to experience the joy of music. The concert experience is supported and extended by digital resources, including online lessons and supporting audio/video.

Additional duties may include regional travel, video recording, and participation in an on-air performance chat. All artists will work with YourClassical MPR to ensure that each program meets the developmental and educational needs of a diverse, school-age audience.

- Qualified applicants will be invited to interview with the Class Notes team.
- Interview Period: March 11-27, 2024
